

## SAFA Announces Selected & Approved Access Providers for Access for All Program Cycle 5 (CY 2026)

February 18, 2026

The Statewide Access Fund Administrator (SAFA), GCAP Services, Inc., in partnership with the California Public Utilities Commission (CPUC), is pleased to announce the total award of approximately \$15.4 million to selected and approved Access Providers for the SAFA Access for All Program Cycle 5 (Calendar Year 2026).

Following a competitive solicitation and evaluation process, fifteen (15) funding agreements for eight (8) organizations have been selected and approved to provide on-demand Wheelchair Accessible Vehicle (WAV) services in nine (9) designated counties throughout California. These providers demonstrated the capacity, experience, and commitment necessary to expand equitable transportation access for individuals with mobility needs.

The awarded Access Providers, funding amounts, and service counties are listed below:

County	Access Provider	Funding Amount*
Alameda	City of Fremont - Ride-On Tri-City**	\$1,080,000.00
Alameda	Onward Health, Inc.	\$521,298.25
Alameda	The Center for Independent Living	\$799,930.00
Marin	Onward Health, Inc.	\$225,775.00
Napa	Napa Valley Transportation Authority	\$162,395.00
Orange	Butterfli Technologies	\$3,125,969.00
Orange	OCY Management, LLC	\$1,581,162.70
Riverside	Butterfli Technologies	\$1,325,910.00
San Bernardino	Butterfli Technologies	\$38,480.00
San Bernardino	Nomad Transit, LLC - Via Transportation	\$1,456,236.63
San Mateo	Nomad Transit, LLC - Via Transportation	\$1,822,189.76
San Mateo	Onward Health, Inc.	\$5,666.00
Santa Clara	Nomad Transit, LLC - Via Transportation	\$1,990,025.76
Santa Clara	Onward Health, Inc.	\$1,123,602.50
Sonoma	City of Petaluma - Petaluma Transit	\$150,000.00
<b>Total Award Amount for Cycle 5 CY 2026</b>		<b>\$15,408,640.60</b>

\*Includes a 15% administrative cost.

\*\*Pending signed and executed funding agreement.

Through Cycle 5 funding, SAFA is working towards its mission to improve transportation accessibility by supporting on-demand WAV services across the state, helping ensure individuals with disabilities and mobility challenges have greater access to safe, reliable transportation options.

The SAFA Team extends its sincere congratulations to the selected organizations and looks forward to launching Funding Cycle 5 in 2026. We are excited to partner with these Access Providers to expand service availability and strengthen accessible transportation networks in their respective communities.

We would also like to recognize and thank all applicants who participated in the solicitation process. We appreciate the time and effort invested in submitting proposals and encourage continued engagement in future funding opportunities.
